SAFETY QUALITY INNOVATION

Invacare Canada continues its commitment to innovation and value in health care with the introduction of the European-designed Bath Safety and Personal Care products by Aquatec®. The safety you need and the quality you deserve, from the brand you trust.

Toilet Seat Raisers

Not your traditional raised toilet seat. Aquatec toilet seat raisers offer a complete range of models to provide the additional height needed to deliver an environment of safety and independence. Manufactured with the highest quality materials and attention to detail, Aquatec Toilet seat risers unite a contemporary design with the safety and function you've come to expect from Invacare.

Bath Mats

The Invacare bath mat is simple yet highly effective in preventing injury in the bathtub. The uniquely-coloured H190 bath mat provides a non-slip surface in any tub from end to end.

The suction base keeps it securely in place while the raised surface channels water away and enhances personal stability both inside and while transferring to and from the bathtub.

Model

Description

H190

Bath Mat 6/CT

- Improved visibility by unique colour which provides contrast against bath tub
- Held securely in place by suction base
- Latex free
- Full-length mat that is contoured to fit around bathtub drain

Model	Description
H112-5	Marina Bath Board 5/CT
218-3	H171 Stileo 18" Suction Grab Bars 3/CT
222-3	H172 Stileo 22" Suction Grab Bars 3/CT

Marina Bath Board

Stepping in and out of the tub is one of the most common causes of injury in the home. The lightweight Marina is a convenient alternative to a transfer bench. The Marina bath board has been developed to fit most types of bathtubs and provides a stable and ergonomic surface for showering and personal hygiene. Marina's compact size and ease of installation also make it an ideal safety companion for travelling.

Marina Bath Board

- Wide ergonomic, textured seating surface
- Integrated, removable handle
- Drain holes and soap holder built into seat
- Designated holders for hand held shower device
- Adjustable to fit inner tub width of 15.5" - 25"
- 330 lb./150 kg weight capacity
- Weighs only 3.5 lbs./1.6 kg
- Manufactured in Germany

Stileo Suction Grab Bars

Convenient and flexible Stileo Suction Grab Bars provide additional support wherever and whenever you need it. Stileo attaches to smooth wall surfaces with the help of two high-powered suction cups. Where traditional grab bars are not possible and drilling holes in the wall surface is not desirable or not an option, the Stileo suction grab bar provides a stable alternative. Complete with built-in suction indicator windows, you can see at first glance whether your Stileo is ready to be used or requires repositioning. The attractive blue and white finish allows them to blend perfectly into any decor. Manufactured in Germany.
