

Jazz Rollator

THE ROLLATOR THAT
REALLY IS ALL THAT

JAZZ

The Dolomite Jazz cross-folding rollator is the new generation rollator that goes all the way. A stylish design with smart functions and carefully thought-out, well designed components make the Dolomite Jazz a winner. With improved adjustment and ergonomics of the Jazz, combined with the built-in brake system, the Dolomite Jazz has many great features that make this product unique.

Features

- Spacious basket made of durable material that is flexible when folding.
- Simple, balanced folding. Easy to handle.
- Stands in folded position.
- Soft seat.
- Integrated braking cable.
- Basket, anatomical grips, left and right side curb climber and backrest standard.
- Adaptable to individual needs with two different heights and precise handle adjustment.
- Welded aluminum frame that is stable and steady throughout its service life.
