

INVACARE<sup>®</sup>  
**MyOn<sup>™</sup>**  
Wheelchair

Yes, you can.<sup>®</sup>

The **Invacare® Myon™ wheelchair** is one of the best examples of cross-compatibility in the Invacare® range. Offering high levels of efficiency for dealers, platform sharing across the Myon family makes re-using and refurbishment an easy and attractive feature. With an appealing design and multiple functionalities, in terms of stability and comfort, this means that the Myon takes things to a new level.

## Highlights

- Unique crossbrace design helps improve stability and make the chair easier to fold and un-fold.
- A four point seat saddle helps improve the rigidity in the frame.
- Designed to ensure greater driving performance; a lightweight frame and high quality components make for easy rolling and manoeuvrability.
- Adaptable and modular frame accommodates progressive changes in user needs.
