COMFORT-PLUS™ Lightweight Rollator

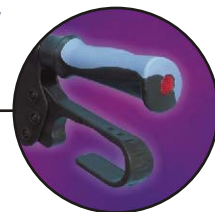

Easy-to-activate feather-touch brakes.

Reflective logos and piping for added visibility in the dark.

High quality paint for long lasting finish.

Comfort-grip™ non-marring wheels offer better grip on carpet; with solid mags for easy cleaning.

Ergonomic, cushion-top handles conform to your hands to fit more comfortably and place them at a more natural angle, which also makes it easier to reach the brake handles. With built-in reflectors for more safety in the dark.

Ergo-Seat and Ergo-Back with memory foam for enhanced comfort.

Extra large, soft basket under the seat allows for more storage and doesn't need to be removed when folding. And, it's accessible under the seat and from behind the rollator.
