## The Litestream® XF

ultralight manual wheelchair uses a unique, innovative, rigidizing double X folding frame that delivers the versatility and performance of a rigid frame while folding to a width of only 9" for easy transport. The Litestream XF accepts a broad selection of accessories to meet a wide variety of needs and personal preferences while remaining an excellent overall value. The Litestream XF is also available in an HD configuration that weighs just 39 lbs. and features a cane-to-cane rigidizing bar for added stability.
